Augustana hosts the 28<sup>th</sup> Annual Brissman-Lundeen Cross Country Invitational. Leroy Brissman and Vince Lundeen were founding fathers for the sport of Cross Country at Augustana and it is with great pride that we name this invitational in their honor. In 2008 we had over 700 runners and 35 teams registered for the two races.

**Entry fees:** \$100.00 per men's team and \$100.00 per women's team or \$5.00 per individual for partial teams. The End Result timing company will provide chip timing.

**Register on-line by Tuesday, September 22, 2009 at** [www.theendresultco.com/xc](http://www.theendresultco.com/xc)

**Awards:** T-shirts to the top 35 finishers in each race and a trophy to the winning teams. A separate trophy will be presented to the Junior College Team Champions.

Unlimited entries, with the first 7 finishers figuring in the scoring. Unattached athletes are welcome but do not figure in the team scoring. There will be a split pad at 3,000 Meters and 5,000 Meters.

The meet was held at Saukie Golf Course last fall, but it appears the City of Davenport will have Credit Island ready for competition again this fall. The Mississippi River has not flooded the course yet this spring. The course should again provide fast racing with great spectator viewing! We will run on the 2010 NCAA III Midwest Regional Course.
