

Augustana College Coordinated Degree Program Agreement for Environmental Management and Forestry

Name _____

ID _____

Augustana Coordinated Program Advisor _____

Major _____

Requirements of the program

Augustana is affiliated with the [Nicholas School of the Environment at Duke University](#), Durham, North Carolina. Through the Cooperative College Program of the School of the Environment, a student in a five-year coordinated program can earn both a Bachelor of Arts degree from Augustana and either the Master of Forestry or Master of Environmental Management from Duke.

This 3-2 cooperative program generally requires three years in residence at Augustana College followed by two years in residence at Duke University. It is also possible for a student to spend four years at Augustana to complete the B.A. degree and then attend Duke for two years under a 4-2 cooperative program. Students should work closely with the advisor since completion of the requirements alone does not guarantee admission to Duke University. Admission to the University is based on grade-point average (recommended minimum 3.4), recommendations and test scores. Students should initiate the application procedure in the fall term of the junior year.

Coursework at Augustana must include BIOL-220 and BIOL-380, ECON-202, GEOG-308, MATH-219 and MATH-220, and one term of statistics. Depending on the student's intended concentration at Duke, other recommended courses include BIOL-200 and BIOL-387, GEOG- 373, an introductory physical geography or geology course, and CHEM-121. A good preparation in the social sciences is important even though such preparation may reduce the number of advanced courses a student is able to take in the natural sciences. In this program all general education requirements for Augustana's Bachelor of Arts degree must be completed together with a departmental major.

Requirements of the Augustana Bachelor of Arts Degree. Student is responsible for:

- Completing a minimum of nine (9) terms of full-time enrollment at Augustana.
- Completing a minimum of 90 credits at Augustana (transfer and AP work cannot be included.)
- See that all General Education coursework is complete prior to enrollment at the receiving institution.
- Seeing that all transfer coursework from the receiving institution meets all requirements of the Augustana transfer policy (see catalog.)
- Communicating with the Augustana faculty advisor for particular advising needs.
- Applying to graduate within all published deadlines (see Academic Calendar.)
- Arranging to have official transcripts sent directly to the Office of the Registrar before the intended date of graduation.
- Adhere to all other degree requirements set-forth in the Augustana Catalog

I understand the requirements for my coordinated degree program as listed here and noted in the Augustana College Catalog. I understand, should I not meet these requirements, I have broken the contract with the college and Augustana has no obligation to award me my Bachelor of Arts degree. I may withdraw from the program by contacting the Office of the Registrar.
